MEMORANDUM FOR: Director of Training

25X1A      FROM : [REDACTED] Executive Officer,  
                   Deputy Director for Administration

25X1A      SUBJECT: : Lack of Proper Classification

Rod:

25X1A      [REDACTED]

25X1A      1. Attached is a memorandum from Stan [REDACTED] with copies of other material relating to the [REDACTED]. Copies were forwarded to CCS, and it appears to me that [REDACTED] has caught us with a "gotcha."

25X1A

25X1A      2. I don't think it's necessary to go into bit by bit the problem that is raised by stamping the material "Administrative-Internal Use Only," because I think the information which clearly relates [REDACTED]

25X1A

[REDACTED] It would be appropriate if copies of the correspondence already distributed would be recalled and appropriately classified. I think I am correct in thinking that a "Secret" classification is in order, although I would not be inclined to argue against "Confidential." It is clear, however, that "Administrative-Internal Use Only" is not proper for this correspondence.
